CONTROL ZONE

YOUR GUIDE TO THE WORLD OF SONIC THE COMIC (STC) & SEGA. PRESENTED BY YOUR HOST, MEGADROID.

Hey, Boomers...

Stick 'em up! That is, your impressive collection of FREE super-duper STC Stickers! And

there's more free gifts to come (see below).

Fasten your seatbelts - Sega's top flight superstar is having a turbulent time with Tails in The Detour (later on in the centre-pages, unfold the hedgehog dynamo once more in another mega Sonic Pin-up).

Furry fox Tails, flies solo in the first instalment of Fall Of The Leaf. Our earnest hero is in for a shock as he encounters the snooty folk from the Eldorado Zone.

Colonel Boldwig-Smythe and son Giles are the latest odd-bods to drop into Decap Attack. Off their heads or off to Castle Frank N

Stein? That's the question posed in The Fearless Monster Hunters.

Meanwhile Amy, Tekno and Shortfuse are on board a starship millions of light years from Planet Mobius. Find out what happens to the trio in the conclusion to Spaced Out.

Finally, face the music with the Let's Dance Graphic Zone - the section where your artwork hits the STC spotlight! See you in a fortnight hume-groovers!
